

Forest Hills Youth Baseball Sponsorship Form

Forest Hills Youth Baseball is a recreational youth baseball organization for players in the Tampa Bay area. Our goal is to develop young athletes through instruction and competition while providing a positive baseball experience. This Spring Season, we look forward to hosting over 300 players between the ages of 3 and 14.

While fees are paid by each athlete's family for registration, it is essential for the league to acquire sponsorships and general donations. Sponsorships are an integral source of revenue for Forest Hills Youth Baseball, and they help us offset the costs of equipment, field and building maintenance, and insurance. One example of a project funded through sponsorships was the installation of sunshades next to the bleachers which helps our fans enjoy the games while beating the heat. In the coming months we hope to acquire adequate sponsorship funds to tackle a few critical needs of the park, including replacing windscreens and batting cage netting. With the support of local businesses such as yours, we can provide what we believe is the best baseball experience in Tampa and one that our community deserves.

There are a variety of advertising/sponsorship opportunities for your business. When considering sponsorship, please remember that sponsorship fees can often be written off as charitable contributions. All sponsors will receive a thank you letter on FHYB letterhead for contribution verification purposes and business name listed on our website's sponsor page. Forest Hills Youth Baseball sponsorship levels, and what each level includes, for the upcoming season are as follows:
